Welcome to Beacon Cricket Club's 2021 Season

Chairman's Remarks

After possibly the most difficult 12 months the majority of us can remember, we're extremely pleased to get back to playing a full season of cricket, albeit having to adhere to the ever changing Covid rules!

Despite the recent difficulties with the Covid pandemic, the club is in an excellent position with numerous improvements being made by our excellent volunteers. Our new outside bar area looks amazing, but this is only one of the improvements. We've also signed a new 99 year lease of the ground, upgraded our electric supply (to enable future improvements), purchased a state of the art wicket mower, plus many other improvements.

Darren Proctor, BCC Chairman

Looking back at 2020, in the little cricket we did manage, the club once again performed brilliantly, which resulted in us winning the Division 2 West final against Paul by an impressive 10 wickets.

This season our 1sts are once again led by Craig Thomas, with Jordan Thomas his deputy, in County Division One, whilst the 2nd XI, who have accepted promotion into Division 3 West will be skippered by David Dowling, with David Wells as his vice. The club has also resurrected our Evening League team which will provide all members of the club with greater opportunities to play the game.

We would like to give a warm welcome to talented batsman and medium pace bowler Tom James and also welcome back off spin bowler Tegan Smith, batsman Jack McNamee and medium pacer Nathan Hocking to the club. These additions will really bolster all of the club's playing squads.

We will be aiming to grow our thriving youth section with the introduction of the ECB's New Dynamo's Cricket (ages 8 to 11), which will provide the link from All Stars Cricket (ages 5 to 8), into youth hard ball cricket. This will enable the club to provide the structure for players of all ages from 5 years upwards. Both the All stars and Dynamos programmes will commence in May and are already really well subscribed, with well over 30 children already signed up!

Finally, I'd like to thank all our Club's Officers and our sponsors for their support and wish everyone an enjoyable and successful 2021 season.

The '100 Club' is Beacon Cricket Club's monthly draw which commenced in January 2012. It is designed to help raise much needed funds for the club and give people a chance to win money. Please help support the club by purchasing one (or more) of these numbers.

Guaranteed Monthly Prize Money = £100.00

How it works

- Each number costs £2.00 per month (paid by bank standing order on the 1st of each month).
- Each entrant chooses an available number between 1 & 100 (this number will be assigned to you until such time as you decide to leave the '100 Club').
- A number from 1 to 100 will be drawn out of a hat for the monthly prize, at each club committee meeting.
- Prize winners and the winning number will then be posted on our website.
- The winner will be contacted and a cheque sent in the post.

Until such time as all numbers are sold, any unsold numbers will be purchased by the cricket club to ensure the £100.00 prize pot is available. If any of the cricket club's numbers are drawn out of the hat, then the prize money will remain with the club.
