

BEACON CRICKET CLUB NEWSLETTER

WELCOME TO BEACON CRICKET CLUB'S NEWSLETTER

Issue 9 April 2019

Only two weeks until the new season is here and we have a difficult start with Gorran, Camborne and Helston being the first three games for our 1st team. Having said that I am sure they will be thinking the same! We welcome any new and previous players who would like to join Beacon CC even if you are not available for the whole of the season. Our 1st and 2nd teams are again captained by Craig Thomas and Dave Dowling respectively and I am sure that you will give them and their teams your full support. Our 2nd team fixtures start later this season (4th May), away to Redruth 3rds due to the restructuring of the leagues.

I need to remind everyone that there is a dog ban imposed by the Council on our cricket ground and the adjoining children's park area at all times. The only exception to this is on match and training days when spectators dogs can only enter the ground if kept on a lead at all times. The local dog warden is very officious in handing out fines so please be aware.

We had a very successful Quiz Night in March organised by Dave Dowling to help raise much needed funds. The winning team comprised of Dan Eathorne, Dan Mellor and Trina O'Connor who was obviously the brains in the team! The second placed team were only one point behind the winners.

Get your neon and shell suits out for our 80's fancy dress disco which will coincide with our first game at home to Gorran. DJ Quiet (Dave Dowling) will no doubt start the season off as we mean to carry on to maximise our enjoyment both on and off the field. Everyone more than welcome.

After several requests the club has installed contactless payment at the bar which will not only help with security but also those who can now buy a round of drinks! We have successfully applied for the Tesco Bags of Help scheme for additional youth storage and equipment. Our application will be in the Camborne store from 1st May until 30th June. Please help us by saving the blue plastic tokens that you can get at the tills and place them in the Beacon CC voting box near the exit.

Please note that we have Facebook, Twitter and Instagram in addition to our website to help you stay in contact and keep up to date of what is happening at the club.

SPONSORSHIP

We would like to thank all of our sponsors and advertisers including our match ball sponsors for their support in 2018. It is very much appreciated and without your support the club would find it difficult to survive. We hope that you can support us again for the 2019 season.

We would also like to thank David Moyle Butchers for sponsoring our new Under 13 team this season with match day playing tops. Our Under 11's are already sponsored by Beacon Fish & Chips. Please support these local businesses as much as possible.

If anyone would like to become a Vice President & Social Member for just £10 per annum, please contact any player or committee member. This will allow you social membership including the use of the bar.

We are also looking for match ball sponsors (£20) where your name will be displayed at the ground on match days. There is a new membership structure to suit all needs whether you are a player or supporter. This information can be found on our website www.beaconcc.weebly.com

YOUTH SECTION

This year our youth teams will be U9's, U11's and U13's age groups. The club will run the very successful All Stars programme again. Information and the training session dates can be found on our website www.beaconcc.weebly.com We are also planning to train 3 additional All Star Activators (Jordon Thomas, Steve Proctor & David Wells) to grow our existing team of Darren Proctor, David Williams, Matt Floyd and Simon Tripconey.

Beacon CC will be giving free Social Club membership to the All Star parents/guardians who have signed their child up to the programme. This will allow social membership including the use of the bar. To celebrate the ECB World Cup funding received towards improving our planned patio area, we will be holding an Under 9 'Star Striker Festival' for local clubs throughout the day on the 30th June.

GROUND IMPROVEMENTS

There has been plenty happening over the winter with repairs to hedges, gates, the usual maintenance work to our ground equipment and preparation of the square and outfield. This year the weed and fertilise programme will be completed prior to the start of the season so that we do not experience problems with bare patches on the outfield like last year! The ECB Cricket World Cup Fund has kindly helped with funding our new concrete patio area which will also help to reduce our maintenance when it comes to cutting the grass. Additional lighting around the bar area, contactless payment and point of sale stock control system has also been implemented.
