## WELCOME TO BEACON CRICKET CLUB'S 8TH NEWSLETTER

The cricket season is fast approaching and there has been a lot happening at the club during the winter months. The well attended AGM produced a very positive report on how the club is being managed and several new members have joined the committee to help with the many objectives being planned. A new club structure has been formed which can be viewed on our website. Some of the work carried out during the winter include the bar being decorated and new lighting added, a trophy display cabinet installed, card reader/contactless payment facility, gate post replaced, entrance wall repaired, garage roof temporary repair and the three stores fully reorganised.

Further improvements planned include installing a new gate next to the football play area, score box upgrade, replacement of the garage doors and roof, re-surfacing of the drive entrance and a grant funded concrete patio area outside of the main pavilion.

I need to remind everyone that there is a dog ban imposed by the Council on our cricket ground and the adjoining children's park area at all times. The local dog warden is very officious in handing out fines so please be aware.

The Dinner and Dance held before Christmas was a great success and our thanks go to Kris Martin for organising this well attended event. The main awards went to:

## SPONSORSHIP

The club organised a darts night in December to help raise much needed funds and the eventual winner was Jordan Thomas who beat James Gool in the final. Jordan finished the first leg of the final in typical style with a bull finish.

We would like to thank all of our sponsors and advertisers including our match ball sponsors for their support in 2018. It is very much appreciated and without your support the club would find it difficult to survive. We hope that you can support us again for the 2019 season.

If anyone would like to become a Vice President & Social Member for just £10 per annum, please contact any player or committee member. This will allow you full club membership including the use of the bar.

## 2018 GROUND GRADINGS & FAIR PLAY AWARDS

Last season the club achieved 1st place in the County Division One 'Ground Markings' and also the 1st XI picked up the County One 'Fair Play Award' following grades given by neutral umpires. Scores are given by the match umpires throughout the season at Premier and County One level for the condition of the square and outfield with the results gathered to produce the final league table. A massive well done to Colin Thomas and his small team of helpers in achieving this fantastic result and a big thank you on behalf of all the players, members and supporters for the countless hours put in to achieve this.
